

ALDAcon 2021 Committee Report

The 2020 Planning Committee has been carried over to 2021. We are planning as if we are meeting in person, keeping in mind that we may have to quickly adopt Plan B which is meeting virtually.

Kim continues to be in touch with the Sheraton in Niagara Falls to see if there are any changes to how many people can gather.

Lisa would like to remind those that wish to present at a workshop, we are still accepting Submissions till March 15, 2021.

Registration is up and ready for 2021. Holiday Rate at \$280 has been extended for all members until January 31, 2021. Early Bird Rate at \$330 will start February 1, 2021. Online registration will be ending September 10, 2021. For all those members that opted into EZ Pay Plan: if membership renewal is bundled with registration, please remember that membership fees are separate and will need to be paid.

We will keep everyone updated if there are any significant changes.
